Our Annual **ANTI TRUST** Luncheon is right around the corner presented by: Michael R. King
Founding partner of Gammage & Burnham, P.L.C.

What you don't know can hurt you and your Company. Consequences are costly! Come prepared to discuss situations, laws and become informed of what Anti Trust means. Is your Sales team aware of what they can or cannot say or do? Terms, pricing, policies, well bring them along as Sales and Credit must team up to make sure the Company remains aware and out of danger.

Mike is the former director, Arizona Chapter of NACM and an active member of CFDD. He contributes to our newsletter quarterly with his "Legal Eagle" piece. Mike is a founding partner of Gammage & Burnham. His practice emphasizes creditor rights and construction issues, but also includes consulting and supervision thought the firm's area of business. mking@gbllaw.com
